Hula Dance Experience

Join us for a delightful Hula dance experience with the wonderful Itsuko Ando at Meijo Park! If you have a long skirt, we encourage you to wear it, as it adds graceful movement enhancing the beauty of the dance. With the weather permitting, we'll dance barefoot outside to a beautifully choreographed song, embracing the joy of movement and connection.

We'll have tea and water available for everyone, but we'd love if you could bring along a water bottle to keep yourself refreshed and hydrated!

After our dance and meeting, we would like to invite you to join us for lunch at Garb Castello.

Please be sure to check your email to sign up and save your seat!

Member Spotlight

Hello, I'm Chihiro Okuno.

I grew up in Tajimi and now live in Nagoya with my husband and 11-year-old son.

Discovering Yamato-e led me to join CCEA in 2020. Since then, my life has changed in a wonderful way. Everyone's active and joyful way of living continues to inspire me every day.

I'm naturally very curious and interested in many things, but I'm passionate about making kimono-style tote bag.

I look forward to many more joyful moments with all of you at CCEA!

After five years of leading CCEA, I will be stepping down as President. It hasn't always been easy, but it has been an incredible journey, thanks to your encouragement and support. I admire the strength and passion each of you brings to our group. I'm confident that our next President will build on this energy and spirit.

I am pleased to pass my role as President to Manisha Kundu, who has demonstrated dedication and consideration for our unique membership as an Interest Group leader and Board Member. I believe with her understanding of Japan and international cultures, she is an ideal leader for the organization who will help grow and strengthen bonds and understanding, and build on the foundation that past members have created for us.

I will continue to serve on the board as an advisor and financial coordinator, supporting President Manisha and Vice-President Chihiro as they lead us into 2026.

Thank you,
Gwyn Wilson

Hello!

As an incoming president, I am honored and excited to lead you into the next chapter of CCEA, Nagoya. I want to express my sincere gratitude to our outgoing president, Gwyn Wilson, and all members for creating a strong foundation, fostering a more inclusive environment, and furthering cross-cultural awareness. Our group's mission of promoting cultural exchange, international understanding, and friendships amongst women of all nationalities remains as vital as ever. I view our group as an ideal space where we can connect, learn, and broaden our perspectives. We have a rich history and accomplishment of hosting successful events, making significant contributions in cultural exchanges, and fostering a positive community. I want to build on these successes by expanding our membership base and strengthening our community partnerships.

I am particularly excited to expand our reach and create new collaborations with the local communities. My focus will also be to deepen our understanding of the cultural aspects of our members from different nationalities and amplify their voices. I will be prioritizing time for the group and I encourage all of you to reach out with your ideas and suggestions.

I look forward to this opportunity to continue the great work of CCEA and hope to further bridge cultural gaps, strengthen our cross-cultural understanding, respect, and friendships.

Thank you,
Manisha Kundu
