MESSAGE FROM THE PROGRAM COORDINATOR

Hello everyone,
I'm Mehtap Kasap,
from Belgium,
born in Turkey.
I'm one of the
Program
Coordinators of
CCEA this year.

I came to Japan in August 2019.
I joined CCEA's general meeting
for the first time in November
2019.

I soon loved CCEA, so I wanted to
be a part of the board and in 2020,
I became one of the catering
coordinators.

This was an opportunity for me
not only to improve my English
but also to learn more about
Japanese culture, to meet with
many great people from all
around the world.

I learned many beautiful things in
this amazing organization but
most importantly I loved that
everyone is welcome and that
people respect each other even if
they have a different culture,
religion, nationality.

I think that this kind of
organization is a good opportunity
to be more open-minded.

I am very glad that I came to
Japan and became a member of
the CCEA community.

I hope the coronavirus crisis is
over soon, and we can start
general meetings in person!

Sincerely,
Mehtap Kasap
